

Socorro ISD

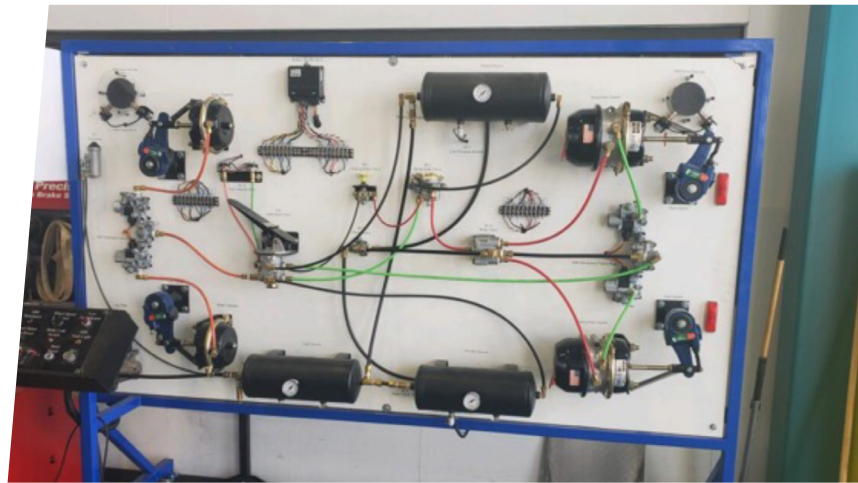

DIESEL TECHNOLOGY PROGRAM

The Socorro ISD Diesel Technology Program will provide you with the hands-on training and experience you will need for an exciting and high wage career in the Diesel Repair Industry.

Students have the opportunity to complete certifications in the following areas:

- Brakes
- Diesel Engines
- Electrical/Electronic Systems
- Suspension & Steering
- Inspection Maintenance & Minor Repair

Students will work on district provided trainers and the district transportation buses to provide the student with an array of hands-on and real-world experiences needed to prepare them for their place in the Diesel Repair Industry.

To Join: Please Complete the Application.

Come join the exciting field of Diesel Repair. DON'T MISS OUT ON THIS AMAZING OPPORTUNITY!!!
