

Cactus Trails SIT meeting

August 23, 2022

Direction One: Safe and Supportive Learning Environment

- Roles and Responsibilities of SIT members
- Safety Update:
 - Every visitor (even district employees) must have a visitors badge
 - Safety audits are being taken by Officer Beard weekly
 - There will be spot checks for teachers on duty. Please make sure you are actively monitoring.
- Daycare List:
 - Please update list on Schoology as needed. If your student is not on the list they will not be picked up.
- Teacher birthdays on Marquee
 - If you do not want your name on the marquee email Guereque

Direction Two: College and Career Readiness

- SPED subs to cover
 - Permanent subs will now cover ARD meetings
- A rating distinctions
- Top D-Back celebrations
 - Will take place September 30 for all 4th/5th grade students for STAAR

Direction Three: Highly Qualified, Effective Faculty and Staff

- EPAC representative- Anderson
 - HB4545 will be checked and enforced closely this year
 - Please make sure you are using and taking advantage of TEKS resource system and all of it's tools
 - Rethink ED will be going to the board to see if it will be approved for SEL lessons for K-12
 - Brainpop they are collecting from campuses to have that reinstated

Direction Four: Home/School Connection

- Classroom accidents protocol
 - Send to nurse when they have an accident
 - While at the nurse, send a DOJO message to parents giving them a heads up as to what happened and to bring clothes for them
 - Once nurse gets to them, they will call parents to follow up

Direction Five: Accountability for ALL

- Coffee Bean shout out
 - Coffee cups will be put up outside your door.

- A class set of shout out cards will be given to teachers
- A teacher can post these cards with a child's name for a shoutout throughout the year
- Diamond Gallery Nominations
 - Will be recognizing model citizens
 - Not just all star kids, but if they are involved in community somehow
 - Send nominations to Thomas
 - First Diamond Gallery will be Adelyn Bransford for having her last Cancer treatment and ringing the bell
- CIP goal #1
 - Focuses on safety: EOP, Drills, Covid, PBIS
