

# CLEVER

You can access CLEVER by clicking on the preinstalled app on your school laptop.

**Or** If you don't have the app you can also access by logging in to your SISD Account by using the **MySISD** link on the SISD or School website. Once Logged in to your account go to **My Apps** to open **CLEVER**

Whether using the app or mySISD always log in with **Active Directory**

**CLEVER** offers a variety of apps and links including Study Island, Nearpod, Springboard, etc.,

Do keep in mind that although many of those applications will open directly some will require additional logging and password.
