

Education and Training ACE

SEQUENCE OF COURSES

9TH BIM

10TH CHILD DEVELOPMENT

11TH INSTRUCTIONAL PRACTICE

12TH PRACTICUM IN EDUCATION

The ACE program is for ANY student who wants to learn to work in a professional setting and learn skills they will use through out their life. Its focus is working with children. The Instruction and Practicum in Education courses allow the students to gain experience in working with children and professionals. The 11th and 12th grade year students work off campus at an internship learning vital professional skills.
