

Dear Warrior Family,

Welcome to the 2020-2021 school year! Proud Warriors “Stand Together and Embrace Our Reality”! We will continue to build a culture and climate at Salvador H. Sanchez where we are On the War Path to Excellence!

Our Proud Warriors will have Endless Opportunities on their Path to Excellence. As we prepare ALL of our students for college and career readiness, they will have the following opportunities at Salvador H. Sanchez: Pre-AP courses, Robotics, GT, Entrepreneurship, WIN, AVID, Fine Arts and Project Lead the Way (CTE) courses to choose from. In addition, students can compete in UIL athletics and academic competitions as well as robotics and Destination Imagination. We encourage every student to get involved in one of the many endless opportunities offered.

Our mission at Salvador H. Sanchez is to ensure the progress of all through a collaborative and technology rich environment. With the vision that All will Learn, All will Respect and All will Succeed! This begins each day with ensuring we are present at school whether it be remotely or in person when the time is right. We are committed to providing a positive learning environment.

2020-2021 will be a year like no other. We will begin the year with remote teaching and learning that will present great opportunities and challenges but challenges that we have prepared for all summer. As a team we will stand together and embrace our reality and it will take all of us and our efforts and a strong partnership between campus and home to meet the needs of our scholars. All stakeholders are experiencing unprecedented times and we ask for your patience, understanding and support during this transition back to school.

It is my privilege to serve as your campus principal and I along with the faculty and staff will ensure the success of our scholars as we work side by side promoting a positive and flexible learning environment. Please do not hesitate to contact me or my administrative staff and know we are here for our Warriors and community.
