Intended to support character building, avoid high-risk behaviors in children and adolescents. Behavior's such as: bullying, gang involvement, and prevention to the onset use of substances, alcohol, drugs, and tobacco.

### *Segments*

1. Character Education (6 -11)
2. Core (11-14)

## HERO ELEMENTARY

The *Hero Elementary* is an education interactive program that centers on an innovative learning platform. The program concentrates on improving school readiness in science, math, reading, writing and literacy for children grades K-2 nationwide.

## Art 2Uth Project Local Landmark Portrayal

This Program is design to introduce our students to art, art history, explore great artists, discover art masterpieces, and learn about art techniques and styles. At the same time the students will learn about El Paso rich history and recognized local landmarks. At the end of the project our project students will be able to present and share experiences in a virtual exhibition.
