Ms. Adcox started SIT meeting discussing direction 1, safe and supportive learning environment. Heavy traffic was discussed. Cross guard/monitor job openings have been posted all year but we have not had applicants and/or been able to hire. Fire drill for April is coming up also.

Ms. Jessen discussed direction 2, college and career readiness, and the testing 8th grade students completed the past 2 weeks that includes PAAM and TSI. Career day is also coming up May 24, 2022. SIT members were asked for assistance with any potential contacts for presenters.

Ms. Adcox and Mr. Herrera reviewed staffing when discussion direction 3, highly qualified, effective faculty and staff. Formula for secondary staff was reviewed as well as additional ESSER funds being used for extra SCEI position. Mr. Herrera added that the last few hires were used in the elective department since they currently only have one conference period as opposed to the core who have two. Our projected numbers are increasing so we will be getting an additional SPED teacher this coming year. We are currently at 1,010 students.

CIS, Mrs. Reyes, discussed direction 4, home/school connection, and reviewed upcoming parent meetings. We also discussed low parent participation and ways to increase parent participation at the meetings and events. Her last parent meeting was on drugs/vaping. April 22 is Volunteer appreciation and April 29 is Partners in Education.

Ms. Adcox reviewed STAAR dates for May 2022 administration for direction 5, Accountability for all.

Ms. Adcox also asked if there were any items to be brought to the agenda to be discussed as we plan for the upcoming school year. Attendance (tardies), cell phones, and dress code were all items brought up.

Meeting adjourned at 4:35pm.
