Welcome to the Clarke Middle School Band! During the first week of school we will be having instrument evaluations during class. Your child will be sent home with an instrument assignment and supply list. PLEASE wait until you receive this before renting an instrument and purchasing supplies. The band handbook is on the Clarke MS webpage under Fine Arts. Please review the handbook and let us know if you have any questions. Students who bring back the Musician Info/ Acknowledgement form and permission slip (copies attached) will get first priority with their instrument selections! We will also be using the Remind app for communication so please sign up. Instructions are located in the handbook. If you have any questions please don’t hesitate to call or email us. We are excited to have you part of our program!
