## COVID-19 Cases

The number one priority in the Socorro Independent School District is to ensure a safe, supportive learning environment for all students and staff. As we move ahead together amid the COVID-19 pandemic, we are committed to being proactive and transparent to Keep SISD Safe.

Team SISD continues to follow guidance from the Centers for Disease Control and Prevention (CDC), Texas Education Agency (TEA) and local health and government officials to develop the best safety measures and to keep our community informed on the latest information during the pandemic.

SISD will be providing the numbers of confirmed positive COVID-19 cases for students and staff who have been on SISD campuses and facilities, as well as the status of those cases when cleared to return to campus. The information includes all cases reported to the City of El Paso Public Health Department and the Texas Education Agency since August 17, 2020. The information will be updated weekly in line with the TEA reporting timeline.

Team SISD urges our community to do their part in helping to prevent the spread of COVID-19 by wearing masks in public, avoiding large gatherings, washing hands frequently, and practicing social distancing. We need your help to bring our students back to school SAFELY!

# Transportation

- ▶ Transportation will be provided for all students that qualify. Bus transportation is provided for students in special education as determined by the ARD committee and eligible general education students who live two or more miles from their school or in areas specifically designated as a Hazardous Route.
- ▶ Before picking up students, buses will be sanitized daily before leaving the bus station.
- ▶ To improve air circulation, the front and back windows will be opened.
- ▶ Hand sanitizer will be available for students to use before boarding and exiting the bus.
- ▶ After dropping off students at their designated arrival location, the bus seats/rails will be sanitized.
- ▶ Every Friday, the electrostatic sprayer will be used to disinfect the interior of each bus.

# Transportation

Ridership will remain at typical district capacity. Students will be physically distanced as space permits. If space is limited, two students will be assigned per seat.

To support contact tracing, students will be assigned seats, and a seating chart will be maintained by the bus driver.

Students are always required to remain seated and keep their hands and arms to themselves.

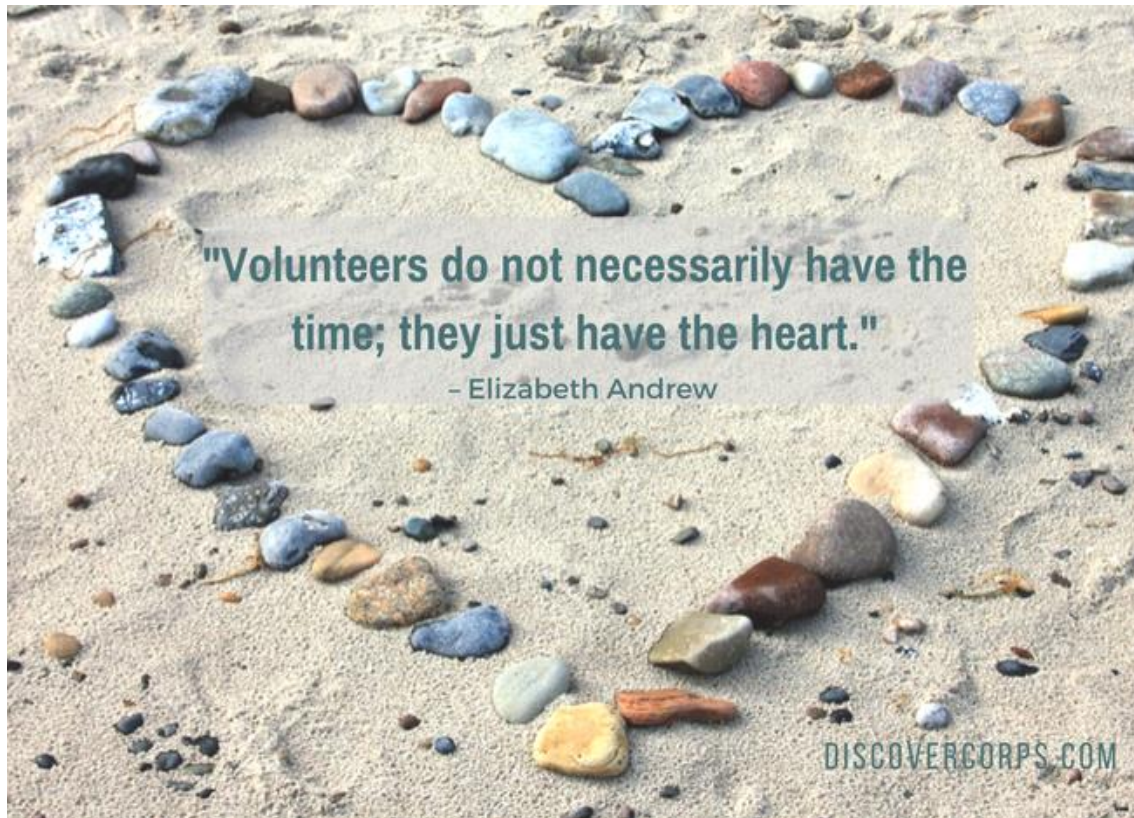

Students should not touch each other or share any items.

Face masks are optional while traveling in a district vehicle. Bus drivers will have extra disposable masks to provide students that request one.

Safety and health measures may be adjusted due to CDC and Local Health Authority updates.

# Volunteers

- ▶ At principals' discretion, volunteers are permitted on campus as needed for school projects, meetings, and events.
- ▶ Volunteers should stay in designated areas and follow all campus protocols.
- ▶ The Hall Pass wellness questionnaire will be utilized at time of arrival. Volunteers should not go to a campus if not feeling well.
- ▶ All volunteers must complete an online application that includes a background check

- ▶ Together, we are going to make 2021-2022 school year an amazing year!
