

SCHOOL HEALTH ADVISORY COUNCIL
PARENT PERMISSION FORM

Dear Parent(s) Guardian(s),

The School Health Advisory Council (SHAC) will be having different presentations on Sexually Transmitted Diseases (STD) and Abstinence Programs during the meeting through out the year. Educational organizations request to present their programs for the approval of the SHAC and the recommendation to the Socorro ISD Board.

Portions of the presentations contain explicit slides of male and female reproductive organs.

We are asking for your permission to allow your son/daughter to be presented during these important presentations as they are members of the SHAC. Agree _____ Disagree _____
