

Updated July 24, 2020

Dear Lujan Chavez Families,

I am so happy to welcome everyone to the 2020-2021 school year! The faculty and staff at Lujan-Chavez has already been hard at work to ensure that this school year will be an amazing one. We are committed to doing our very best to help students succeed in school. As a staff, we will work hard to get to know our students and will strive to help each student reach his/her potential.

We would like to welcome all of our new families to the LCES school community. We look forward to providing the best learning environment and experience for your child/children.

Our theme for this year, ***A Lujan Of Their Own!*** focuses on our past and present traditions! As we begin our 20th year as a school, we are committed to maintaining the long-lasting traditions that Lujan-Chavez is known for, while forging ahead to create new ones. We cannot wait to have our students and parents back here to help make this all a reality! The building is far too quiet without you all.

At this time, we are monitoring the health and safety guidelines issued by the city and state. We will continue to be flexible as we make plans for the start of the school year. **For the time being, here is important information:**

- Teacher Meet and Greet will take place virtually. More detailed information will be sent once it is finalized.
- The first day of Remote Learning instruction for all students is August 17. The schedule for students is 7:30-2:45 daily.
- Student uniforms will be encouraged for Remote. For more information, please visit <https://www.sisd.net/Page/63811>

- SISD will be providing laptops to all 3rd-12th grade students, as well as iPads to all Pre-K and Kindergarten students. For those students in 1st-2nd grade that are in need of a device, we will do our best to distribute these items for those families that have no other means for Remote Learning.
- Upon returning to school, students and parents will be asked to adhere to local health and safety standards at all times.
- School supply lists are available on our school website at www.sisd.net.
- YWCA after-school information is available on our web page.
- Lunch applications are now available online at <https://www.myschoolapps.com/Application>

With a passion for working with children, we welcome the opportunity to serve the students, families and staff of our beloved school. The challenge in providing the best instructional practices for students is a most serious and exciting one. The 2020-2021 school year will be filled with unlimited possibilities!

Shine on!
