**Fixed Mindset**

- This is too hard.
- I can't make this any better.
- If I fail, I'm no good.
- Why bother trying?
- Her project is better than mine.
- I'm never going to learn this.
- Only talented people are successful.

**Growth Mindset**

- What am I missing?
- I can always improve my work.
- I learn from both my failures and successes.
- Let me try another way.
- Feedback helps me refine my ideas.
- I'll use some strategies I learned.
- My skills will grow and develop over time.
