

Dear Crusader Families,

Welcome to O'Shea Keleher Elementary School! As Your Child's School Counselors, our goal is to be a support for our students' academic, social and emotional developmental needs. We service our students by providing support in:

- Developing strategies to manage emotions
- Develop social skills
- Coping strategies
- School counseling classroom lessons
- Group counseling with various topics
- Advocate for students at individual academic/behavior plan meeting
- Short term individual counseling
- Referral to long term counseling support
- Identify student needs and challenges

While we are not able to provide face to face direct services at this time, we can continue to support students virtually. We have included a social and emotional calendar, lessons and resources that your child/children can do at home. If you have questions or concerns about your child and would like to speak to a school counselor or a virtual check in, our contact information is listed on our website.

Privacy and confidentiality are essential to having an effective school counseling program. O'Shea Keleher Elementary School recognizes the importance of good communication and good working relationships between students, parents, and the school. Therefore, every effort will be made to protect student and parent privacy rights. However, it is our legal responsibility to break our oath of confidentiality due to safety issues (harm to self and/or others).

Eyes: Look for students and see ways to help!

Ears: Listen to you when you need to express a feeling or have a problem.

Mouth: Talks to you with kindness and does not repeat what you share with others unless someone is in danger.

Hand: for helping in any possible way

Purse: Where we keep our tools to help students with strategies.

Feet: Walks to your classroom to visit
