Having trouble? [Get help logging in!](#)

[District admin log in](#)

Click on "Log in with Active Directory"

Once their Clever apps have loaded, they will click on . This should directly log them into the app.

## Option 2: Access through Internet Browser.

Google search results for "lexia core 5". The search bar shows "lexia core 5" and the search button. Below the search bar, there are tabs for "All", "Books", "Videos", "Images", "More", "Settings", and "Tools". The search results show "About 482,000 results (0.29 seconds)". The first result is "Lexia Core5 Reading - Elementary Reading Instruction for All ..." with a URL "https://www.lexialearning.com/products/core5" and a date "May 12, 2016". Below this result, there is a section "People also search for" with links to "lexia power up", "lexia goals", "lexia core 5 tutorial", "core5 download", "lexia learning find my rep", and "lexia certificates". Below this, there are three more search results: "Lexia Learning", "Lexia Reading Core5", and "Lexia Core5 Reading on the App Store".

Search "Lexia Core 5" in the search engine, then select "Lexia Core5 Reading".

The screenshot shows the Lexia Core5 Reading website. At the top left is the Lexia logo with the tagline "A Rosetta Stone Company". To the right of the logo are navigation links: "LEXIA IN YOUR STATE", "DOWNLOAD", "SUPPORT", "SIGN IN", and "CONTACT LEXIA". Below these are more navigation links: "SOLUTIONS", "PRODUCTS", "WHY LEXIA", "RESEARCH", "RESOURCES", and "BLOG". A search bar is located to the right of the "SIGN IN" link. A dropdown menu is open under "SIGN IN", showing options: "myLexia", "CORE5", "POWERUP", "RAPID", and "STRATEGIES". Below the navigation is the main heading "Lexia Core5 Reading". The main content area features a video player with the title "Lexia Core5 Reading Overview" and a play button. Below the video player are the words "Adaptive Technology Based" and "Students of all abilities Pre-K through 5". To the right of the video player is a list of bullet points: "Engages and motivates students in a game-like environment", "Provides progress-monitoring without a test", and "Accessible via iPad, Chromebook, or browser". At the bottom right is an orange button that says "TRY CORE5 STUDENT LESSONS >".

Select Core 5 from the Sign In drop down menu.
