

Bill Sybert Parent & Family Engagement Policy 21-22

Mission: Our mission is to provide an atmosphere of teamwork in which students can be responsible, successful, and prepared to learn.

Improving Lives

Jointly Developed & Reviewed:

Bill Sybert School, parents and families developed this agreement in recognition that it takes the commitment of both home and school for our students to reach their highest potential. As partners, we share the responsibility for our scholars' success, and want you to know that we will do our very best to carry out our responsibilities to meet the academic, social and emotional needs of our scholars. **that it is through shared responsibility that student achievement will increase.**
It will be reviewed on a yearly basis.
