

Campus:

S.I.T. Meeting Minutes

Date: 4/23/19

Welcome and Roll call meeting began at 3:30
II. Safety concerns 200 hall becoming overcrowded, need to reroute through 100 hall. Counselors are asking front desk not to send parents directly to their offices due to possibly sensitive situations. Please call to have them come up to get parent. Please ask everyone for assistance in transitions and coach students that need coaching as they move through halls. Please call in subs in a timely manner. Calling in for emergency requires notification of an administrator. We will be placing student handbook on TEAMS and teachers can look at it in the next few weeks and make suggestions. Food and deliveries are not permitted at school. Parents may bring in food for only their child. Remind that discipline is done by alpha. Continue to communicate any concerns and keep an eye out for inappropriate conduct in Halls during lunches.
III. Master schedule looking good, so far there are 780 schedule requests. Special Ed Teachers will be assigned by content areas. Interviews for new SPED teacher to be held on Friday. Looking to finalize course contracts for pre AP and Synergi4 classes. Attendance dropped to 90% last week due to info posted on social media last week. On a positive note Slider was recognized for improving attendance
IV. Synergi 4 is an extension of the program at MHS and is STEM based. We are starting our 1 <sup>st</sup> cohort with 25 sixth graders next year. Parent meeting next Thursday evening. There will be a bridge camp in the summer. The blue print matches the early college program.
V. EPAC meeting February – no new information other than announcement of Cactus Trails elementary and restructuring of a couple of K-8 schools.
VI. Departments Math – tutoring continuing as well as Saturday School in preparation for STAAR. ELAR - tutoring continuing as well as Saturday School in preparation for STAAR. Science – working together to plan for May 4 Saturday session. SS - doing well ready for STAAR. Fine Arts all well UIL Band Competition at PHHS tomorrow SPED – tutoring continues. Electives CT Varela taking students to TSA competition.
Martinez- Thanks to everyone for assistance during testing, announces May 7 Algebra EOC STAAR testing May 13-16
