    - There is no teacher rotation in the duty schedule. Teachers are in the same spot for the whole year.
    - We need a person with a radio during after school dismissal by the blue canopies.
  - 4<sup>th</sup> grade concerns:
    - Duty schedule has some teachers on duty too close in time and in the same place all year long. Some teachers are not on the duty calendar at all.
    - Are we getting resources for math and writing?
    - What are level 1 & 2 behaviors and how do we handle each level of behavior?
