

Box Tops for Education™

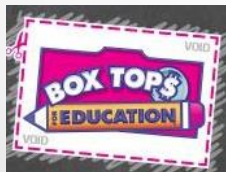

Stephanie Lopez
Purple Heart Elementary School

About Box Tops

- Box Tops for Education™ is one of the nation's largest programs that helps schools
- Over 80,000 K-8th grade schools are enrolled in the program
- Enrolled schools have earned \$715+ million since the program began in 1996
 - Schools earned \$78+ Million for the 2014-2015 school year
- Hundreds of participating Box Tops products including apparel, food, paper products and produce

How Box Tops Works

- Every Box Tops clip is worth 10 cents
- A volunteer Coordinator leads the program at each school
- Schools can receive two checks every school year. One check in December and one check in April
- Money earned can be used by schools to buy books, sports equipment, supplies, uniforms or anything they need
