Dear Parent,

The Socorro Independent School District is dedicated to providing all students with a high quality, rigorous education so that they can be successful in college, careers and beyond. Team SISD is also committed to transparency and accountability so that all stakeholders in the district are informed and can provide meaningful input about our students' education.

In order for you to learn about the progress and success at our campus, please see the attached State of Texas 2013-14 School Report Card for Options High School. This is a report required by the Texas Legislature and prepared by the Texas Education Agency. It is to be sent to the parent or guardian of every child enrolled in a Texas public school. The report provides information concerning student performance on the State of Texas Assessments of Academic Readiness (STAAR), as well as information on student enrollment, class size averages, and financial expenditures.

The information contained in the School Report Card is required by state law and is briefly described in the "2013-14 School Report Card Definitions," which is available on the TEA website at <http://ritter.tea.state.tx.us/perfreport/src/2014/definitions.pdf>. The report for our school may or may not have all the information described, because the information presented depends on whether the school is an elementary, middle, or high school.

State law requires that the school report card display information about the state, the district, and the school. Where possible, the information must be reported by race/ethnicity and socio-economic status of the students and must include at least two years of results.

The School Report Cards can be found online at:

<http://ritter.tea.state.tx.us/perfreport/src/2014/campus.srch.html>

A more complete report about Options High School, the Texas Academic Performance Report (TAPR), is available by contacting my office or can be accessed online at:

<http://ritter.tea.state.tx.us/perfreport/tapr/2014/index.html>

Please contact me if you have any questions concerning this report card. Thank you for your continued support of Options High School.

Sincerely,

Ellen Brewer, Principal
Options High School

Para que usted conozca acerca del progreso y el éxito en nuestra escuela, vea por favor la Tarjeta de Reporte Escolar 2013-2014 de la Escuela Preparatoria Options que viene anexa. Estas Calificaciones Escolares son requeridas por la Legislatura del Estado de Texas y preparadas por el departamento de educación estatal. Este reporte debe ser mandado a los padres o al guardián/mentor de cada estudiante inscrito en una escuela pública. Estas calificaciones proveen información concierne al progreso académico de los estudiantes y también otra información sobre su escuela como el número de estudiantes, tamaño promedio del salón escolar, y gastos.

La ley estatal requiere que la información de estas calificaciones sea diseminada. Usted encontrará una breve descripción en el adjunto "Definiciones de las Calificaciones Escolares 2013-14," disponible en el sitio web de TEA: <http://ritter.tea.state.tx.us/perfreport/src/2014/definiciones.pdf>. El reporte que ha recibido puede o no contener toda la información descrita en estas definiciones pues el reportaje de estos datos depende de si la escuela es una primaria, secundaria o preparatoria.

La ley estatal también manda que la información sea provista a nivel del estado, del distrito escolar, y de nuestra escuela. Esta información debe ser reportada, en tanto sea posible, por grupo étnico/raza y estatus socioeconómico de los estudiantes y debe de incluir por lo menos dos años de resultados.
