Dear Parent,

Attached you will find a copy of the State of Texas 2012-13 School Report Card for Lujan-Chávez Elementary School. This is a report required by the Texas Legislature and prepared by the Texas Education Agency. It is to be sent to the parent or guardian of every child enrolled in a Texas public school. The report provides information concerning student performance on the State of Texas Assessments of Academic Readiness (STAAR), as well as information on student enrollment, class size averages, and financial expenditures.

The information contained in the School Report Card is required by state law and is briefly described in the "2012-13 School Report Card Definitions, which are available on the TEA website at <http://ritter.tea.state.tx.us/perfreport/src/2013/definitions.pdf>. The report for our school may or may not have all the information described, because the information presented depends on whether the school is an elementary, middle, or high school.

State law requires that the school report card display information about for the state, the district, and the school. Where possible, the information must be reported by race/ethnicity and socio-economic status of the students and must include at least two years of results.

The School Report Cards can be found online at:

Estas calificaciones proveen información concerniente al progreso académico de los estudiantes y también otra información sobre su escuela como el número de estudiantes, tamaño promedio del salón escolar, y gastos.

La ley estatal requiere que la información en estas calificaciones sea diseminada. Una breve descripción se puede encontrar en "Definiciones de Calificaciones Escolares 2012-13" localizada en el sitio web, <http://ritter.tea.state.tx.us/perfreport/src/2013/definiciones.pdf>. El reporte que ha recibido puede o no contener toda la información descrita en estas definiciones pues el reportaje de estos datos depende de si la escuela es una primaria, secundaria o preparatoria.

La ley estatal también manda que la información sea provista a nivel del estado, del distrito escolar, y de nuestra escuela. Esta información debe ser reportada, en tanto sea posible, por grupo étnico/raza y estatus socioeconómico de los estudiantes y debe de incluir por lo menos dos años de resultados.
