2020-2021 Professional Development Session Descriptions

Remote Asynchronous Instructional Effectiveness: Curriculum/Instruction

90-Minute Model in Secondary (JLS_90MinS)

Teachers will learn about asynchronous instruction and how to use the 90-minute model in the secondary classroom during virtual instruction.

Audience: 6-12 grade teachers

Are You Committed to Digital Citizenship? (JLS_DigiCi)

Digital Citizenship is more than just avoiding the bad...it is about nurturing students' digital well-being. Inspire students to cultivate and manage their digital identity by creating positive, safe, legal, and ethical behaviors when using technology online and offline.

Audience: K-12 grade teachers

Best Practices for Creating Videos for Virtual Learning (JLS_BPVL)

Early childhood teachers will explore how to prepare a virtual classroom for pre-recording an interactive and engaging mini lesson using Flipgrid Shorts.

Audience: Early Childhood teachers

Elementary Streamline Social Studies TEKS (JLS_ESST)

This session will allow teachers to explore the 2018 Elementary Streamlined Social Studies TEKS. The TEA's streamlining process will be explained and the Anatomy of the TEKS will be exercised. Teachers will utilize the Lead4ward Streamline Document to analyze the streamlined TEKS. An activity and teacher work time will be provided to familiarize themselves with changes to their TEKS.

Audience: K-5 teachers

Intervention Though Teams ([JLS_IntTms](#))

In this session, teachers will be given options on how to create small groups within Microsoft Teams and ideas for intervention activities to use with students in those small groups.

Audience: 3rd-12-grade teachers

Johnny Can Spell Pacing Guides and Planners ([JLS_UPG](#))

Teachers will understand how to use and read the Johnny Can Spell Pacing Guides and the purpose for their use with the Lesson Planners.

Audience: K-2 Early Childhood teachers

Leveling Up Math and Science Instruction ([JLS_MthSc](#))

This session will provide teachers with interactive strategies to elevate student thinking in math and science through the process skills. Teachers will walk away with activities from marking period 1 that will allow students to apply what they learned!

Audience: 2-5-grade teachers

No Need to Reinvent the Wheel! Finding the Best RLA Nearpods! ([JLS_NNT](#))

In this session, teachers will learn how to search for and find the best Nearpods for reading language arts.

Audience: 6th-12th Reading/Language Arts teachers

Planning and Pacing the Social Studies Instructional Model ([JLS_PPSSIM](#))

Backwards Planning will be modeled using the TRS IFD and the I-TRS Pacing Guides. Teachers will be guided through the Social Studies Instructional Model. There is time embedded for teachers to plan out Unit 1.

Audience: 3-5-grade teachers

Power-On Math and Science Instruction ([JLS_MthSc](#))

This session will provide teachers with interactive strategies to power on math and science instruction through the process skills. Teachers will walk away with activities from marking period 1 that will keep students motivated!

Audience: 2nd–5th grade teachers

Reading-Planning Using I-TRS Pacing Tool ([JLS_RDG3-5](#))

During this session, teachers will be reviewing the Reading TEKS Resources System Pacing Tools. Teachers will be guided through the planning process using the Pacing Tools within the 90-minute Balanced Literacy Framework. Participants are encouraged to have access to their planning tools during this session.

Audience: 3rd-5th grade teachers

Rebooting Math and Science Instruction ([JLS_MthSc](#))

This session will provide teachers guidance on the math and science teaching frameworks for the 2020- 2021 school year. We will review new pacing tools, provide guidance on how to plan flexibly and explore the power of pre-assessment.

Audience: 2nd-5th grade teachers

Resources in Secondary Social Studies ([JLS_SecSS](#))

Teachers will learn about engaging, high-impact, free resources that can be used while teaching remotely.

Audience: 6th-12th grade Social Studies teachers

Secondary Math: Power Up Math Instruction ([JLS_ScMthB](#))

This session will provide teachers with interactive strategies to power on math instruction through the process skills.

Audience: 6th– Algebra 1 teachers

Secondary Math: Rebooting Math Instruction (JLS_MatPUI)

This session will provide teachers guidance on the math frameworks for the 2020-2021 school year. We will review pacing guides and provide guidance on how to plan flexibly and explore the power of pre-assessment.

Audience: 6th– Algebra 1 teachers

Tools for Remote Learning (JLS_TIsRL)

Explore resources to engage your students in live online learning. Learn to effectively plan, communicate, and teach in a virtual classroom.

Audience: PK-5th grade teachers

Virtual Strategies Playlist in Science (JLS_VSPLSC)

In this session, teachers will have the opportunity to see activities from Lead4ward Strategies Playlist adapted for virtual learning in science.

Audience: 6th– 12th grade Science teachers

Wear Your Pants! Tips on Managing the Virtual Classroom (JLS_WrPnts)

In this session, teachers will be provided with helpful tips and ideas on how to manage the remote learning classroom.

Audience: 3rd-12th grade teachers
