SRO – Officer Cubillos returned to SISD but he is in light duty. New SRO officer for Bill Sybert his name is Officer Dominguez. He is big on everyone having their school ID.

*Attendance

We are just shy of 98%. Keep an eye in middle school. Parents don't realize their child will not get credit for the classes they are out. Email admin if a scholar is going to be out and the parents or the student inform you. Admin is usually not aware, but the teachers are.

*Safety

Within the next 2 weeks we will have a lockdown. Make sure to inform parents and practice with students.

We want all teachers to welcome students with big smiles in the morning.

There is concern in the band area hallway. Provide students with a pass if they are going to see you during their lunch or for detention.

We are getting a doorbell in front of the school. Parents will need to show an ID before Susan lets them in. Inform parents of this change in a classroom newsletter.

When you are driving exit through Edgemere and Enter through Lee ONLY. No exceptions. If you get dropped off or picked up, make sure you tell them to follow the protocol.

Mrs. Elliott will have a meeting to talk to parents about the doorbell, let the parents know.
