

Board Policies

The Board will review its policies on a continuing basis. Twice a year, the board shall receive Administrative Regulation BF for review.

The need to place additional policies in writing, adopt new ones, and revise old ones needs to be ongoing for the successful and efficient functioning of the district.

Policies scheduled for review will be identified by the appropriate Cabinet member based on the Policy Committee review date. On a monthly basis, the Cabinet member will present the policies identified for review during a Cabinet meeting and to Policy Committee.
