- I. Welcome
Dean Amaya welcomed everyone.

- II. EPCC Spring 2021 Updates
Dr. Amaya said EPCC enrollment is down 16% and registration has been extended until January 31st. Dean Badillo indicated that ECHS and Dual Credit enrollment is doing well, she thanked everyone for submitting on time necessary documentation and thanked the specialists and counselors for their great job. Ms. McNutty asked how they can check which classes have been canceled, or find out where students have been moved. Ms. Badillo indicated it can be checked on Dashboards but will double check on this. Dr. Amaya added that each office normally emails and lets students know where they will be switched to, or if their classes have been canceled. Mr. Martinez asked how classes not being offered this semester will be handled for those students who might need it for graduation. Rene Chavez said Dr. Lachica's office sends an audit, but he will reach out to Mr. Gallegos at the Graduation department to run one in March to see how many students will graduate this Spring 2021 and will be affected by this.

- III. Principals' Updates

VVECHS

VVECHS is currently working on its recruitment process, deadline will be January 30, 2021, and in between two more parent meetings. Applications and interviews are being conducted online. VVECHS students are starting to come into campus in a smooth transition, about 10 at a time, they haven't figured out a final plan yet, but are working closely on a plan to keep students and faculty safe. Covid testing is still being conducted for those students going on campus. Ms. Duncan asked how do they make sure there is a consistency on textbooks. Dr. Amaya said to let us know about their textbook questions, the close contact we have with the bookstore can help us provide them with the correct information. He also stated to let us know if any Labster issues continue.

CECA

Dr. Martinez indicated that students are starting to come on campus as well, but numbers fluctuate. They want to increase student attendance and a request has been made, especially for those students struggling online, since they have seen a drop increase. Dr. Martinez did indicate the Valle Verde Faculty have been incredibly supportive with any

connectivity issues or other issues students are encountering. Enrollment is stable in 9th and 10th grade, and recruiting has started as well with applications online that were sent out since December both in English and Spanish. Admission interviews are also being conducted by faculty, since it's a very long process and it gives the faculty an opportunity to listen to some of the student's inspiring stories.

Dr. Martinez brought up how the "W" grades are affecting seniors, he indicated it's been a continuing issue. Dr. Amaya will reach out to Dr. Lachica-Chavez, for clarification on the "W" process and will get back to him on this.

FECHS

Recruiting has also started and it has been online. Parent nights have been scheduled and they are currently working on online interviews.

IV. Registration

Registration is going smoothly and Ms. McNutty said the database is a great tool and has been incredibly useful. Ms. Tapia mentioned that she has been having problems with the database and wanted to see who can assist her, Rene Chavez indicated to contact Ms. Griselda Hermosillo about her issues. Ms. Duncan added that there are some glitches and Dr. Martinez agreed. Ms. Badillo said she would mention this to Dr. Lachica-Chavez.

V. ECHS Blueprint

Mr. Covey indicated they haven't received instructions on how to use the document and there is a lot missing information like how to modify it or change it. Dr. Stotts said they haven't received any data yet, but will look into it. Dr. Ekal mentioned that TEA is scheduled to meet in February, to please send her information so she can have all of this figured out.

VI. Other

No other discussions or questions were brought up.

VII. Next Meeting

The next advisory team meeting will be Friday, February 5th, from 10 AM to 12 PM through Microsoft Teams.
