Comprehensive Needs Assessment

Needs Assessment Overview

The staff at Lujan-Chavez is committed to meeting our goals and providing our students with the highest quality of education. It is our goal to reach exemplary standards in all that we do while providing our students with a safe and motivating learning experience. We truly want to provide students with a well-rounded educational experience which is why we will always nurture the arts and athletics in addition to our instructional programs. We also realize that we cannot do this alone and encourage our community to join us in our efforts. Together, we will continue to shine! Our theme this year is "We is Greater than Me"... we are committed to reaching our goals to become a future ready campus.

Demographics

Demographics Summary

Lujan-Chavez is one of 49 campuses in Socorro Independent School District. Lujan-Chavez opened its doors in July of 2001 and serves predominantly middle class (type) families. Our school was named after two former Socorro students, Private Alvaro Luhan and Sgt. Luis Escajeda Chavez, who died serving our country in World War II. Private Lujan received the Purple Heart for his bravery; he died in 1945. He was originally buried in Bastro, Belgium. He is now buried in the cementary at the Socorro mission. Sgt. Chavez was in the 36th artillery division. In 1945, he was stationed in Salerno Italy where he was killed while sweeping for landmines. He was 29 years old. Currently, Lujan-Chavez serves 1,126 students in grades Kindergarten to 5th grade. The average daily attendance rte for students is 96.89%.

Lujan-Chavez students are:

- 84% Hispanic
- 63% Economically Disadvantaged
- 38% At Risk
- 23% English Language Learners
- 7% Receive Special Education Services
- 3% Gifted and Talented
- <1% Homeless
- <1% Migrant

Demographics Strengths

Lujan-Chavez serves 266 English Language Learner students, 37 students in the Gifted and Talented program, 20 students identified for 504 servies, and 87 students served through special education services. Our School-wide Title 1 program consists of parent involvement activites, after school and intersession tutoring in the various content areas. Teachers are provided professional development in various areas based on student needs. Our State Compensatory Program (SEC), consists of two academic coaches who train teachers in researched based best practices to meet the needs of our students. The School Improvement Team reviews the campus programs, survey results, and data from the assessments such as STAAR, TELPAS, Attendance (students and staff), Checkpoints, Lexia, iStation, Dyslexia Screener, TCM Math and Milestone Assesements from students, staff, and students.

Problem Statements Identifying Demographics Needs

Problem Statement 1: Lujan-Chavez' Gifted and Talented student population is at 3%, which is lower than the state rate of 7.08% **Root Cause:** Number of teacher recommendation of possible GT students.

Problem Statement 2: The students ADA has dropped from 97.47 to 96.89 this school year. Our goal is to have 98% ADA for the 2018-2019 school year. **Root Cause:** Target chronic absenteeism students by providing consistent incentives.

Student Academic Achievement

Student Academic Achievement Summary

School	Grade Level	Tier 1	Tier 2	Tier 3
Lujan-Chavez Elementary	Grade K	79%	12%	9%
	Grade 01	77%	18%	5%
	Grade 02	75%	14%	11%
	Grade 03	80%	14%	6%

Student Academic Achievement Strengths

After studying our data carefully we have identified the following areas as areas that demonstrated student achievement strengths:

- **Curriculum Instruction, Planning, and Best Practices:** The faculty and staff continue to plan effectively and successfully by understanding and analyzing data, creating and implementing quality assessments, utilizing best practices to align curriculum instruction horizontally and vertically, and the continuous implementation of the transitional program to provide SIOp strategies to our ELL students.
 - Math: Math Manipulatives, Vertical Team Alignment, "One-Minute Math Club", Think Through Math
 - Reading: Balanced Literacy strategies, Kagan strategies, Phonics Instructions provided by Nine Enterprises, SIOp strategies for ELL students, Vertical Team Alignment
 - Science: STEMS grant, Vertical Team Alignment, Robotics Club, StemScopes
 - Writing: Empowering Writers, Grammar and Writing by Nine Enterprises, Vertical Team Alignment

Problem Statements Identifying Student Academic Achievement Needs

Problem Statement 1: During the 2018-2019 school year, the writing passing rate on the STAAR test will increase by 3% in 4th grade. **Root Cause:** Alignment of K-5 Writing Curriculum

Problem Statement 2: During the 2018-2019 school year, the reading passing rate on STAAR test will increase by 3% in all grade level. **Root Cause:** Teacher instructional fidelity to the core reading program.

Problem Statement 3: During the 2017-2018 school year, Bilingual students performance was 37.2% as compared to all students performing at 73% in STAAR writing. **Root Cause:** The students were being provided English language acquisition more so than the writing process and mechanics and

conventions.

Problem Statement 4: During the 2017-2018 school year, Special education students' performance was 42% as compared to all students performing at 73% in STAAR writing. **Root Cause:** There is a need for vertical alignment in grades K to 5.

Problem Statement 5: During the 2017-2018 school year, students of two or more races performance was 73% as compared to all students performing at 91% in STAAR math. **Root Cause:** Students who are two or more races are mainly military connected students so they have had limited access to the Texas curriculum.

School Processes & Programs

School Processes & Programs Summary

Accountability for all is critical to the success of any campus. At Lujan-Chavez we believe that all students can learn and we are committed to put supports in place to ensure that this happens. We will continue our PLC sessions that allow us to analyze our data and make informed decisions. We will also continue our RTI process with an emphasis on targeted interventions. Teacher talks will continue where we discuss each student and identify instructional plans for teachers and students alike. Our vertical alignment teams will continue and we will analyze our data to ensure that gaps are being filled.

Teachers have received training in Kagan Cooperative Learning and we have seen an increase in student engagement in all classrooms. These best practices are a part of our non-negotiables and they are expected in daily lessons and observed during walk-throughs. We will continue to provide refresher trainings for our new staff.

Balanced Literacy continues to be an area of focus as well as Guided Math. We began the school year with this emphasis and offered extra support sessions on Guided Reading during our STAR Academies.

To support our Math goals, all teachers next year will receive a training on Touch Math to support interventions. This is in effort to align our problem solving process and other practices with mathematics instruction.

This school year our grade level teams will receive additional training in the area of writing. Throughout the year, we updated teachers with Write to the Point training and every classroom made an effort to monitor students through the writing process.

Teachers continued to meet for Curriculum Awareness sessions each nine week period. They utilized TRS documents such as the Year-At-A-Glance and the Instructional Focus Document in order to identify the depth and specificity of the concept being taught.

Based on the STAR chart data, our number of teachers on the advanced tech level continues to rise. We have expanded the use of technology into all classroom instruction by placing interactive projectors in all classrooms including the library, special education classroom, and our at-risk support labs. We have a very large student population and have accommodated an additional computer lab to create a proactive approach to online learning and future online testing. Teachers are actively using technology. Teachers are using, scanners, cameras, and other technologies with their students daily. New computers were purchased for our computers lab and those computers that were in the lab will be placed in classrooms in order to increase the number of computers in each classroom.

Teachers are actively participating in our campus STEM Night. In order to attract and retain highly qualified teachers, instructional technology training sessions are offered biweekly and on an as-needed basis. We will purchase equipment for Skype in order to meet with parents that deployed during important meetings, pen-pal situations, career day guest speakers, etc.

This school year we conducted a survey of teachers to determine their professional development needs and wants. The outcome of this was our STAR Academies which took place on Thursdays after school with a topic of their choice. We will continue this support next school year.

For 2018-2019 we will continue to implement a new teacher academy for teachers with 0-3 years of experience as well as anyone else who might benefit from additional support in best practices. We have budgeted extra duty pay for 10 hours of support and materials.

We will begin our 2018-20189 school year with approximately 1,150 students. Our enrollment continues to increase even with the opening of a new campus. We will work on building consistency with our staff development in order to continue to build capacity and strengthen our instructional core.

SISD district leaders, campus leaders, faculty and staff members will ensure that students receive a quality educational experience by working together to meet the educational goals at the federal, state, and district level. The curriculum team meets to reveiw campus data, walkthrough feedback, and curriculum implementation. The team works together to provide resources, staff development, and support to classroom teachers.

Lujan-Chavez Elementary School context and organizational structures consists of targeted instruction based on researched based best practices to ensure academic progress and enrichment. Instructional programs, such as Istation, Lexia, Robotics, Guided Reading, and SIOP strategies, are used to meet the needs of our students.

Lujan-Chavez has a variety of committees, such as LPAC, PBIS/Olweus, SIT, Attendance, Safety, Vertical Teams, to continuously monitor the campus practices. Our campus is implementing the WIN program with blended learning and digital learning integration.

Lujan-Chavez serves 266 English Language Learner students, 37 students in the Gifted and Talented program, 20 students identified for 504 servies, and 87 students served through special education services.

School Processes & Programs Strengths

The campus staff at Lujan-Chavez Elementary is a staff that is dynamic and has been evolving during the past three years. There has been a large number of new teachers and staff that have been integrated into the current team. The staffing patterns have helped establish a strong team. The staffing of the campus has been done to meet the need of the students.

The resources used at Lujan-Chavez have proven effective and helpful in providing quality instruction for our students. The use of SMART goals by our classroom teacher have made a considerable impact on student success. Teachers were able to use their current data to set goals and adjust their instruction to maximize students growth. Campus administration reviews data and provides feedback to teachers during Teacher Support Talks. The SCEI Coaches then customize the support given to each teacher.

Lujan-Chavez Elementary staff encourages our students to use their "Shine Expecations" in order to create a safe learning environment where

students focus on their academics. These expectations hold our students accountable for taking ownership of the campus and promotes a positive learning environment.

Our curriculum coaches in collaboration with our district instructional officers guide our teacher to create a curriculum roadmap that provides rigorous and high quality instruction. The instruction includes TEKS based daily lessons, targeted intervention lessons, checkpoints, and district benchmarks that monitor and guides the instruction throughout the school year. Best practices such as Marcia Tate strategies, Fundamental Five, Kagan, Guided Reading/Math ensure all our learners are engaged in the learning process. Our bilingual populations is targeted by embedding SIOP strategies into the daily lessons. Our SPED students are served by using our Inclusion Model and mainstreaming our student population. Our students are progressed monitored using Istation, Lexia, Accelerated Reading, and district provided assessments. Our response to intervention system is spearheaded by our administration, counselors, parents, and campus curriculum coaches to ensure all students are being provided the academic support to be successful.

Various committees such as SPED, Bilingual, PBIS, Attendance, RTI, Vertical Teams, and SIT monitor that campus initiatives are effective.

Problem Statements Identifying School Processes & Programs Needs

Problem Statement 1: The campus writing scores have not made significant gains. **Root Cause:** There are 10 sections of fourth grade teachers with 5 teachers being new to the grade level.

Problem Statement 2: Writing scores need to improve in all grade levels. **Root Cause:** Writing alignment needs to occur in all grade levels.

Perceptions

Perceptions Summary

At Lujan-Chavez, we strive to keep our students safe at all times. The safety of our students and staff is our main priority and we know that in order for students to learn they must feel safe. Our district just completed the installation process new cameras that are located at various hot-spots in and around the perimeter of our building. In addition to this we have completed all of our safety drills. We have dedicated one staff member to be at the front desk greeting visitors and ensuring that they sign in with our HallPass system-a system that runs all visitors through a sex-offender data base. Our assistant principal leads our safety team on the campus. Safety tips and reminder are shared with teacher and staff on a monthly basis. Safety commuincation with parents is done through flyers, notices and digital media.

We are also in our 5th year of the WATCH D.O.G.S. (Dads of Great Students) program. This program grows every year and not only supports our safety plan but enhances academic performance as well.

Lujan-Chavez has a minimal amount of office discipline referrals for a school of its size. Classroom management is consistent and teachers emphasize our WE SHINE Expectations in their daily discussions and their Monday Morning Class meetings which integrate our Positive Behavior approach with the Olweus Bullying Program. We will continue to monitor our referrals while promoting our expectations through the use and practice of our WE SHINE expectations. We have just completed our third complete year of Positive Behavior Intervention Support implementation and are continuing to plan for the next phase. We start each day with “Stars, how do you shine?” Students reply, “We are Safe, Honest, Independent, and Nice to Everyone. We shine!” We have clear expectations for the bathroom, the hallways, the cafeteria, the playground, assemblies, and classrooms. Our character traits will be embedded in this along with our NO Bullying campaign. As we plan for the maintenance phase, we have noted that our office referrals did increase this school year as our enrollment increased. We will continue to monitor this; however, our referrals continue to be relatively low for a campus of this size. Our Positive Behavior Intervention and Supports Team presented our “We Shine” campaign to the Region 19 area schools at the PBIS conference this spring.

Perceptions Strengths

In the area of School Culture and Climate Strengths, Lujan-Chavez Elementary continues to demonstrates strengths in:

- Keeping all faculty and staff safe by making this a number one priority.
- Installation of new cameras that are located in different hot-spots in and around the perimeter of the building.
- Consistent implementation of safety drills, i.e. Fire Drill (monthly), Evacuation, Reverse Evacuation, Shelter-in-Place, Lockdown.
- Automated LobbyBuard system that ensures background checks of incoming visitors in the campus.
- WATCH D.O.G.S. (Dads of Great Students) program that supports the campus safety plan and enhances academic performance.
- Positive classroom management through the emphasis of WE SHINE (Safe, Honest, Independent, and Nice to Everyone) expectations

and Positive Behavior Intervention and Support (PBIS) expectations.

Problem Statements Identifying Perceptions Needs

Problem Statement 1: PBIS Initiatives need to be strengthened to where it had previously been. **Root Cause:** New teachers to the campus must be trained and provided yearlong support.

Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

Improvement Planning Data

- District goals
- Campus goals
- Current and/or prior year(s) campus and/or district improvement plans
- Campus and/or district planning and decision making committee(s) meeting data
- State and federal planning requirements

Accountability Data

- Domain 1 - Student Achievement
- Domain 2 - Student Progress
- Domain 3 - Closing the Gaps
- Accountability Distinction Designations

Student Data: Assessments

- State of Texas Assessments of Academic Readiness (STAAR) current and longitudinal results, including all versions
- STAAR Released Test Questions
- STAAR EL Progress Measure data
- Texas English Language Proficiency Assessment System (TELPAS) results
- Student Success Initiative (SSI) data for Grades 5 and 8
- SSI: Istation Indicators of Progress (ISIP) accelerated reading assessment data for Grades 3-5 (TEA approved statewide license)
- SSI: Think Through Math assessment data for Grades 3-8 and Algebra I (TEA approved statewide license)
- Running Records results

Student Data: Student Groups

- Race and ethnicity data, including number of students, academic achievement, discipline, attendance, and rates of progress for each group
- Special Programs data, including number of students, academic achievement, discipline, attendance, and rates of progress for each student group
- Economically Disadvantaged / Non-economically disadvantaged performance, progress, and participation data,
- Male / Female performance, progress, and participation data
- Special education population, including performance, discipline, progress, and participation data
- Migrant population, including performance, progress, discipline, attendance, and mobility
- At-Risk population, including performance, progress, discipline, attendance, and mobility
- EL or LEP data, including academic achievement, progress, support and accommodation needs, race, ethnicity, gender, etc.
- Section 504 data

- Homeless data
- Gifted and talented data
- Dyslexia Data
- Response to Intervention (RtI) student achievement data

Student Data: Behavior and Other Indicators

- Attendance data
- Mobility rate, including longitudinal data
- Discipline records
- School safety data

Employee Data

- Professional learning communities (PLC) data
- Staff surveys and/or other feedback
- State certified and high quality staff data
- Teacher/Student Ratio
- Campus leadership data
- Campus department and/or faculty meeting discussions and data
- Professional development needs assessment data
- Evaluation(s) of professional development implementation and impact
- T-TESS

Parent/Community Data

- Parent Involvement Rate

Support Systems and Other Data

- Organizational structure data
- Processes and procedures for teaching and learning, including program implementation
- Capacity and resources data
- Budgets/entitlements and expenditures data
- Study of best practices

Goals

Revised/Approved: August 21, 2018

Goal 1: SISD will ensure a safe school environment for students, staff, and community members by implementing both current and new initiatives to address safety concerns, keeping safety a top priority.

Performance Objective 1: For the 2018-2019 school year, Lujan-Chavez will implement a plan of action to ensure that district stakeholders feel safe at school and school events, increasing the number of students that strongly agree that they feel safe by 70% on the next SISD climate survey.

Evaluation Data Source(s) 1: Climate survey given to students will equal 70% or more

Summative Evaluation 1:

Strategy Description	ELEMENTS	Monitor	Strategy's Expected Result/Impact	Formative Reviews		
				Oct	Jan	May
1) Meet monthly as a safety committee to review our safety plan and to discuss the outcome of all drills.	2.4	Administration Safety Committee	Implementation: * Sign-in sheets * Monthly drill logs Impact: * Our school community will know the difference between all drills and will be able to follow the protocol for each one.			
	Funding Sources: 199 - General - 0.00					
2) Promote/implement our WATCH D.O.G.S. (Dads of Great Students) Program.	2.4, 3.2	Administration Teachers Parent Liaison School Counselors	Implementation: * Daily Watch D.O.G.S. on campus. Impact: * Increase in participation and a decrease in safety incidents.			
	Funding Sources: 199 - General - 0.00					

3) Positive Behavior and Intervention Support Team that coordinates our We SHINE expectations for behavior for our campus. This is a positive approach to school-wide behavior and it includes the Olweus anti-bullying program to ensure a safe campus environment.	2.4, 2.6	Administration Teachers All Staff School Counselors Parent Liaison	Implementation: * Teachers will enforce the schoolwide expectations and students will follow the expectations. Impact: * Fewer discipline referrals.			
	Funding Sources: 199 - General - 0.00					
4) Implement our visitor check-in system where each visitor signs in through our Hall Pass security system that will run their identification through the national sex offenders registry.	2.4	Administration Front Desk Clerk	Implementation: * All visitors will sign in and receive a badge. Impact: * We will have notifications if someone occurs on the sex offenders list.			
	Funding Sources: 199 - General - 0.00					
5) Update our staff with training on our Positive Behavior and Intervention Support which includes behavioral expectations for every area of the building and an Anti-Bullying component. The entire campus staff will take an active role in campus safety. Light refreshments and snacks will be offered for all training.	2.4, 2.6	Administration Teachers School Counselors Social Worker PBIS Team	Implementation: * Observations throughout the building. Impact: * Decrease in discipline referrals and nurse's office visits.			
	Funding Sources: 199 - General - 0.00					
= Accomplished = No Progress = Discontinue						

Goal 1: SISD will ensure a safe school environment for students, staff, and community members by implementing both current and new initiatives to address safety concerns, keeping safety a top priority.

Performance Objective 2: For the 2018-2019 school year, 100% Lujan-Chavez will fulfill the requirements for safety audits and safety drills to be prepared for multiple emergency scenarios.

Evaluation Data Source(s) 2: Scheduled drills will ensure that drills are conducted in a timely manner with sign in sheets of trainings and recorded documentation of each drill conducted.

Summative Evaluation 2:

Strategy Description	ELEMENTS	Monitor	Strategy's Expected Result/Impact	Formative Reviews		
				Oct	Jan	May
1) Coordinate all safety drills with our sister school, Sun Ridge Middle School, to ensure that all drills are completed in a timely manner.	2.4	Administration Safety Committee	Implementation: * Monthly drills will be conducted in conjunction with our adjoined Middle School. Impact: * Students and staff will know the procedures for each drill and will complete them in a timely manner.			
	Funding Sources: 199 - General - 0.00					
= Accomplished = No Progress = Discontinue						

Goal 1: SISD will ensure a safe school environment for students, staff, and community members by implementing both current and new initiatives to address safety concerns, keeping safety a top priority.

Performance Objective 3: For the 2018-2019 school year, the number of bullying-related incidents reported at Lujan-Chavez will decrease by 3%.

Evaluation Data Source(s) 3: The number of reported bullying-related incidents at all campuses will decrease by 3%.

Summative Evaluation 3:

Strategy Description	ELEMENTS	Monitor	Strategy's Expected Result/Impact	Formative Reviews		
				Oct	Jan	May
1) Implement our Monday morning class meetings where we share Olweus lessons and open the door for communication regarding bullying and how we should treat one another. Students will receive the tools they need and will learn how to report bullying.	2.4, 2.6	Classroom Teachers School Counselors Administrators	Implementation: * Monday Morning Class Meetings Impact: * Fewer incidents of bullying.			
				Funding Sources: 199 - General - 0.00		
= Accomplished = No Progress = Discontinue						

Goal 1: SISD will ensure a safe school environment for students, staff, and community members by implementing both current and new initiatives to address safety concerns, keeping safety a top priority.

Performance Objective 4: For the 2018-2019 school year, the total number of disciplinary incidents at Lujan-Chavez will decrease by 10%.

Evaluation Data Source(s) 4: Discipline incidents among students will decrease by 10%.

Summative Evaluation 4:

Strategy Description	ELEMENTS	Monitor	Strategy's Expected Result/Impact	Formative Reviews		
				Oct	Jan	May
1) Enforce and monitor our We SHINE expectations and honor students who are shining with gold tickets! Gold tickets can be exchanged for items in our Shine Shop which is sponsored by our campus funds.	2.4	All staff Teachers Administration School Counselors Parent Liaison	Implementation: * Students will be receiving gold tickets for doing the right things. Impact: * Fewer office referrals.			
	Funding Sources: 199 - General - 0.00					
2) Intervention supports will be provided by teachers for students who are in need of Tier 2 and Tier 3 behavior interventions.	2.4, 2.6	Administration School Counselors PBIS team	Implementation: * Sign-in sheets * Intervention plans Impact: * Decrease in student referrals/intervention plans			
	Funding Sources: 199 - General - 0.00

- * AVID - College and career readiness skills will be taught by teachers to ensure students are learning Cornell Note taking, higher order questioning strategies, and notebook organization. The AVID Membership will allow teachers to access training, resources, and classroom materials.

Funding Sources: 211 - Title I, Part A - 30839.00

2) Provide intervention in Math, Reading, Writing, and Science throughout the school day after school, during intersession, and on Saturdays. Summer School Acceleration support will also be offered for students who did not meet grade level academic standards or attendance requirements. Transportation will be provided to qualified students.

2.4, 2.5, 2.6

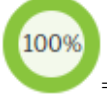

Administration
Instructional Coaches
Teachers
Instructional Aides to include the Library Aide

Implementation:
* Teacher created intervention lesson plans
* Student attendance rosters
* Permission slips

Impact:
* Improved student performance with TRS unit assessments, benchmark assessment results, teacher created informal and formal assessments, Istation reports and benchmark results from state reading and math assessments.

Funding Sources: 199 - General Fund: SCE - 13785.00, 211 - Title I, Part A - 0.00

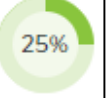

3) Provide TEKS Resources as the primary curriculum that is directly aligned to the TEKS.	2.4	Administration SCE-I coaches Teachers	Implementation: * Usage reports * Teacher Pacing Guides * Lesson Plans * Walk through observations Impact: * STAAR performance, Student performance, PDAS walk-throughs			
Funding Sources: 199 - General - 0.00						
4) Provide extra duty pay for teachers providing supplemental instruction to enhance rigor and relevance for all students for Saturdays, after school, intersession/summer school.	2.4, 2.5, 2.6	Administration Teachers	Implementation: * Student list/sign-in sheets * Teacher lessons * Campus program descriptions Impact: * STAAR performance, increased student passing rates, Common Assessments			
Funding Sources: 211 - Title I, Part A - 10000.00						
 = Accomplished  = No Progress  = Discontinue						

Goal 2: SISD students will receive a quality education with rigorous instructional standards that adequately prepares them for the college and career of their choice.

Performance Objective 2: For the 2018-2019 school year, all populations of Lujan-Chavez students will meet or exceed the previous year's scores to reach their full potential.

Evaluation Data Source(s) 2: All populations of Lujan-Chavez students will meet or exceed the previous year's scores to ensure that they reach their full potential.

Summative Evaluation 2:

Strategy Description	ELEMENTS	Monitor	Strategy's Expected Result/Impact	Formative Reviews		
				Oct	Jan	May
1) Ensure that all manipulatives and other resources listed in TEKS and TRS are provided for all students including our bilingual population and our Special Education students.	2.4, 2.5, 2.6	Administration Instructional Coaches	Implementation: * Teacher created lesson plans * Classroom walkthrough observations * Instructional Rounds * Interactive Student Notebooks * Supplemental Aids Books Impact: * Improved student performance with TRS unit assessments, benchmark assessment results, teacher created informal and formal assessments, Istation reports and benchmark results from state reading and math assessments.			
Funding Sources: 211 - Title I, Part A - 0.00, 199 - General Fund: Bilingual - 1000.00						
2) Provide light, healthy snacks to include water, juice, cereal bars, cookies or crackers to ensure student alertness and concentration on state mandated STAAR testing dates.	2.4	Administration	Implementation: * Purchase Orders Impact: * State assessment results			
Funding Sources: 211 - Title I, Part A - 0.00						
3) Provide a Bilingual Temporary Instructional Aides, and Library Aide to assist with intervention support for students not meeting grade level standards.	2.4, 2.5, 2.6	Administration Instructional Coaches Teachers Instructional Aides	Implementation: * State Compensatory Ed Logs * Classroom Walk Through Observations * Teacher created lesson plans * Student intervention plans			
Funding Sources: 211 - Title I, Part A - 21000.00, 263 - Title III, Part A (Eng. Lang. Acq.) - 12000.00						

<p>4) Implement the co-teaching classrooms with support facilitation as well.</p>	<p>2.4, 2.5, 2.6</p>	<p>Administration</p>	<p>Implementation: * Classroom Walk Through Observations * Teacher created lesson plans * Student intervention plans.</p> <p>Impact: * Student Improvement on all TRS unit assessments * District benchmark assessments, * iStation date * State assessments</p>			
<p>Funding Sources: 199 - General - 0.00</p>						
<p>5) Purchase awards and incentives to motivate students in all academics areas, attendance, and positive behavior. New bulletin boards will be purchased to display student work in order to motivate students. Bulletin boards will be created to create a wall of fame to recognize student achievement. Materials will be purchased from School Specialty and C&M Awards</p>	<p>2.4, 2.6</p>	<p>Administration</p>	<p>Implementation: * Purchase orders</p> <p>Impact: * State assessment results * End of the year grades * Attendance</p>			
<p>Funding Sources: 211 - Title I, Part A - 0.00</p>						
<div style="display: flex; justify-content: space-around; align-items: center;"> <div style="text-align: center;">  <p>= Accomplished</p> </div> <div style="text-align: center;">  <p>= No Progress</p> </div> <div style="text-align: center;">  <p>= Discontinue</p> </div> </div>						

Goal 2: SISD students will receive a quality education with rigorous instructional standards that adequately prepares them for the college and career of their choice.

Performance Objective 3: By January 2019, Lujan-Chavez shall increase the Masters level across all tested subject areas to achieve an overall improvement in student state assessment scores of at least 3%.

Evaluation Data Source(s) 3: Lujan-Chavez shall increase the level of instructional rigor across the core content areas, to achieve an overall improvement in student state assessment scores of at least 3%.

Summative Evaluation 3:

Strategy Description	ELEMENTS	Monitor	Strategy's Expected Result/Impact	Formative Reviews

1) 1. Strategic planning session to review student data. Lessons will be planned strategically to address all student groups.	2.4, 2.6	Classroom Teachers Counselors SCEI Coaches Administration	Implementation: Agenda Sign in sheet Lesson Plans Walkthroughs Impact: Walkthrough Reports Common Assessments State Assessments			
2) Professional development session for teacher from the district instructional officers.	2.4	Administration SCEI coaches	Implementation: Agendas Sign in sheets Walkthroughs Impact: District benchmark results End of the Year grades State Assessment results			
= Accomplished = No Progress = Discontinue						

Goal 2: SISD students will receive a quality education with rigorous instructional standards that adequately prepares them for the college and career of their choice.

Performance Objective 4: For the 2018-2019 school year, student state assessment scores in reading will improve by 3% as compared to the 2017-2018 state assessment scores.

Evaluation Data Source(s) 4: Student state assessment scores in reading will improve by 3%.

Summative Evaluation 4:

Strategy Description	ELEMENTS	Monitor	Strategy's Expected Result/Impact	Formative Reviews		
				Oct	Jan	May
1) Purchase additional technology to keep up with the demands of state testing and our intervention programs for math and reading. This will also allow us to ensure that all equipment is current and maintained. Lujan-Chavez will also implement and develop instruction and instructional resources to ensure activities and projects in all curricular areas will be enhanced through technology such as the use of computers, dry erase boards to display computer image, Infocus projectors/interactive projectors, printers, as well as, ink and toner cartridges for the printers, 17" flat panel monitors, , projector bulbs, NOOKS, Lap Top computers and headphones. The use of United Streaming, BrainPop, Activotes, Accelerated Reader, and other library media resources such as magazines, periodicals and library books will be used to support learning.	2.4, 2.6	Administration and Instructional Coaches	<p>Implementation: Each computer lab will be updated with new computers. Each classroom will have at least 2 computers and will have all IWB technology working and utilized throughout the day.</p> <p>Impact: Improved student performance with TRS unit assessments, benchmark assessment results, teacher created informal and formal assessments, Istation reports and benchmark results from state reading and math assessments as well as Computer Lab usage time will increase. Istation usage reports, Think Through Math data.</p>			
				Funding Sources: 199 - General - 5104.00, 211 - Title I, Part A - 33956.00, 199 - General Fund: Bilingual - 7735.00		
2) Provide one planning day each 9 weeks for teachers to come together to plan vertically and horizontally. Teachers will analyze data, review best practices, and create lessons for the following 9 week period.	2.4, 2.6	Administration and SCE-I Coaches	<p>Implementation: Sign-in Sheets, 9 week lesson plan, vertical alignment initiatives.</p> <p>Impact: Improved student performance with all forms of assessments to include TRS unit assessments, teacher created informal tests, benchmark assessments, and other district mandated assessments.</p>			
				Funding Sources: 211 - Title I, Part A - 0.00		

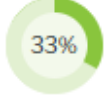

<p>3) Purchase research based supplemental materials for Reading for students from the following vendors: Scholastic Leveled Readers, Curriculum Associates, ETA Hand2Mind (formerly ETA Cuisenaire), Measuring Up, Mentoring Minds, ECS Learning Systems, Lonestar, Brainpop, Mastery Education, Scholastic Inc. materials, Great Source, Empowering Writers, Being a Writer, Perma Bound, Magazine Subscriptions PTP, Nine Enterprises, Forde-Ferrier, Peoples Education, Kamico, as well as needed furniture/equipment to store supplies and materials.</p>	<p>2.4, 2.6</p>	<p>Administration and Instructional Coaches</p>	<p>Implementation: Classroom walk-through observations, student work, Science Lab usage, teacher created lesson plans, and Interactive Student Notebooks.</p> <p>Impact: Improved Math and Sciene student performance on TRS weekly assessments and teacher created assessments.</p>			
<p>Funding Sources: 211 - Title I, Part A - 13000.00, 199 - General Fund: Bilingual - 0.00, 199 - General Fund : Special Education - 2000.00</p>						
<p style="text-align: center;">  = Accomplished  = No Progress  = Discontinue </p>						

Goal 2: SISD students will receive a quality education with rigorous instructional standards that adequately prepares them for the college and career of their choice.

Performance Objective 5: For the 2018-2019 school year, student state assessment scores in Mathematics will improve by 2% as compared to the 2017-2018 state assessment scores.

Evaluation Data Source(s) 5: Student state assessment scores in mathematics will improve by 2%.

Summative Evaluation 5:

Strategy Description	ELEMENTS	Monitor	Strategy's Expected Result/Impact	Formative Reviews		
				Oct	Jan	May
1) Purchase materials in the area of Mathematics instruction that will support the classroom teacher and our instructional assistance with the teaching of the new Math TEKS. * Guided Math & Reading- Small groups lessons and read aloud - kidney tables and carpets will be purchased from School Specialty. * Think Through Math * Thinking Maps * Data Analysis * 9-week power planning * STAR Academy PD sessions * Teacher Tuesday Sessions * Mentoring Minds materials * Vocabulary Development (Academic Vocabulary) * Common assessments * Touch Math	2.4, 2.6	Administration, SCEI Coaches	Implementation: Lesson Plans, Walk-through observations, RTI and progress monitoring documentation. Impact: Improved student performance on TRS assessments, state math assessments, Think Through Math and TCM documentation, and teacher created informal assessments.	 66%	 75%	
				Funding Sources: 211 - Title I, Part A - 0.00, 199 - General Fund: Bilingual - 0.00		
2) Provide tutorial sessions in math afterschool/intersession/Saturday/summer for students that are struggling.	2.4, 2.5, 2.6	Teachers, SCEI coaches, administration	Implementation: Lesson plans, walkthroughs, observations, RTI and progress monitoring documentation. Impact: Improved student performance on TRS assessments, state math assessment, TCM documentation and teacher created informal assessments.	 33%	 40%
