

# S.I.S.D. After-School Sports Program (VASSP)

**Goal:** To eliminate student behavior in the long run by providing after-school activity for students which promotes fun, participation, healthy development, and parental/family involvement.

## Parents Code of Ethics

1. I will require that my child play in a safe and healthy area.
2. I will remind myself that my child is the person playing and his physical and emotional well-being is more important than winning.
3. I will conduct myself (and encourage those around me to conduct themselves) in a sportsmanship manner which provides positive support for my child, the coach, the team, and the spirit of the game.
4. I will practice respect towards others and expect my child to do the same.
5. I will abide by state and SISD rules and regulations which apply to smoking, drinking, and zero tolerance on school property.

**I certify that I understand the parent's Code of Ethics and will abide by them to the best of my ability.**
