

**Ms. Brasgalla, Assistant Principal, called meeting to order at 4:35 PM.**

**Motion to approve October minutes as is by K. Baker; seconded by C. Lopez unanimously approved; motion carried.**

#### **I. Library Presentation**

- **Library Presentation** – Ms. Kara Baker made a presentation for the library. One major challenge that is growing daily is the need to upgrade the technology on campus. The need is for the technology updated that is available for student use. Gifted and Talented needs to be included in the CIP for GT training. The goal is to also upgrade the teacher devices. The point is that the one-to-one should also apply to the teachers. We as a campus do not have the funds to do so, however, they are trying to find funding and determine what the roll-out would be. Right now 1/3 of the campus gets upgraded at a time, but that is for desk top models. For the mobile devices they want to roll out, perhaps they would go to tested subjects first. Ms. Baker asked for teachers to send her information and proposals as to the roll out at kbaker01@sisd.net. They will present to Mr. Martinez
- **E-sports** – is awesome! However, we were eliminated in the first round. In the last tournament both teams played two games and won two games.

#### **II. Project Vida**

- **Project Vida** – Ms. Arredondo and Mr. Sandoval are introducing the mental health curriculum – it has already been put in place at PBHS and SHS. The implementation includes one lesson a week. There is a consent form attached and it would go out once at the beginning of the semester. Each campus is different in which teachers and class/courses are being used. There is now only one facilitator per campus so the procedures would be different. There is currently a curriculum being implemented, power for youth, through the health classes. This is a different program/curriculum. Involving conversations that would allow for the students to speak freely about a variety of topics.

#### **III. Technology Plan**

- **Technology Plan** - (Librarian presentation – see I.)

#### **IV. OPEN**

- Friday we will be short substitutes – we will have a faculty meeting in library at 7:30 AM
- Substitutes have been an issue. Ms. Brasgalla is asking for support with the problem solving and procedures. Make sure all your documentation is in place
- Copies – the district is trying to reduce the copies being made. The goal is to use the technology. Velsa can up your quota but she must be notified via email. Teachers are asking students to print out but the students are much more limited and only have one-hundred copies available to them per school year
- Positive note – 7 choir students auditioning for pre-area round on Saturday
- Remind teachers about impact aid forms – turn in to the front office
- Library want to have a tamale party in December
- Ms. Dahlia Acosta wanted to thank and give kudos to Ms. Corina Lopez and her program - they competed in TAFE and there was a student who qualified for state.

**Motion to adjourn made by G. Brasgalla; Seconded by G. Widner. Vote was unanimous in favor.**

**Meeting adjourned at 5:15 PM.**
