

Mr. Martinez, Principal, called meeting to order at 4:25 p.m.

I. Safe and Supportive Schools

- **David's Law** – We are working on trying to bring in David's mother to speak and present to a group of parents, students and teachers. Logistically we are considering class meetings to do so, however, the interest is to try and present to smaller groups. The theater is the preferred venue, as the gym acoustics make it difficult to comprehend speakers. This item will continue being considered.
- **October Intersession** – October Intersession will run the 2nd thru the 6th, from 8:00 AM to 2:00 PM; this fall intersession is planned for interventions for those students in need. Bus schedule is set: arrival at 7:45 AM and departure at 2:10 PM. Students in any extra-curricular activities will not practice during intersession hours.

II. College and career readiness

- **Dual Credit** – Student in dual credit classes are enrolled at both EHS and EPCC; currently the grading policies are being reviewed as there is now a new grading scale; another grading issue being considered is how grades transfer when students transfer; more and more dual credit courses are being offered and this will continue until Eastlake has an early college;
- **Designation Summer School/Adv Program** - Summer dual credit courses to be offered; PLTW needs to continue to have their project presentations consistently every year.

III. Highly Qualified Teachers and Professional Development

- **PBL, Fundamental 5, OneNote, Making Thinking Visible** – Mr. Martinez passed along information and this was just an update (FYI).

IV. Community & Parent Involvement

- **David's Law Presentation to Parents** – See above in item one of Safe and Supportive Schools.
- **Early Voting** – October 24th will be early voting; as well as parent night.

V. Accountability for All

- **Bond Presentation** – The 2017 Bond presentation was discussed as previously. All were reminded about early voting and voter registration
